

The College of International Holistic Studies

The College of International Holistic Studies is built on a firm foundation designed to synergistically blend the rigor of medical science with the time-tested power of alternative and integrated therapies. Our teachers are selected for their expertise and ability to blend both science and the art of healing. Each program is designed to provide you with the practical knowledge and experience to heal using real-world tools, as well as the consciousness to appreciate the metaphysical tools that our souls provide.

Diploma in Quantum Biofeedback

DIPLOMA CODE: BFB300

Quantum Biofeedback is an exciting new field within the Integrative and Complementary Health Care arena. As the need for safe, non invasive, non toxic yet highly effective health care options increases in popularity, highly qualified and professionally trained Biofeedback Practitioners are also in increasingly high demand. CIHS has therefore created a Diploma program with these needs in mind.

Obtaining a Diploma in Quantum Biofeedback is an 18 month process. The first 4months—BFB100 consists of 5 modules. All are completed **online**. The student will be required to hand in one case study with a supporting 1000 word dissertation after completing the 5 modules .

The following 14 months, BFB200, consists of BFB 201: viewing twenty-three 1 1/2 hour lectures on deeper understanding of the various panels in the LIFE system and how to use them, BFB 202: reading 3 research books and completing the accompanying tests, APP 102: completion of CIHS Custom Introduction to the Human Body, and finally BFB 203: completion of 25 case studies. The 25th case study will also require a 2500 word dissertation.

The successful graduate will receive a Diploma in Quantum Biofeedback and can then apply to the Canadian Examining Board of Healthcare Practitioners (cebhpc.com) to become a **Registered Quantum Biofeedback Practitioner (RQBP)**.

The student will require a biofeedback device. This program is taught using the LIFE system. A 10 day demo is available for viewing Module 104 and doing the BFB100 case study only. More information on this system can be found on www.quantumlifecanada.com.

COURSES:

BFB100 (4 months)

Module 101:Legalities,Ethics & Scope of Practice	8 hrs
Module 102 History & Guidelines of Biofeedback	8 hrs
Module 103a: Quantum Physics	8 hrs
Module 103b: Basics of Quantum Theory	8 hrs
Module 104: Biofeedback Device Online Instructio	24 hrs
Module 105: BioEnergetic Coaching	16 hrs
Required: Case study, 2000 word dissertation	8 hrs

BFB200(14 months)

BFB 201 Biofeedback Continuing Education Series	40 hrs
BFB 202 Required Reading Assignments	50 hrs
APP 102 CIHS Introduction to the Human Body	150 hrs
BFB 203 25 case studies	250 hrs

EVALUATION:

- Completion of all tests
- Completion of required reading assignments and essays
- BFB101 case studies and a 1000 word dissertation
- BFB203 25 case studies and a 2500 word dissertation
- A passing grade of 70% or higher on all online tests.

PREREQUISITES:

- High School Diploma or Adult Student Status
- Fluent in the English language
- The student will need access to a LIFE system or a demo version of the LIFE system for BFB100 Module 4, the 3 days of hands on education, and to complete the BFB101 case study.

Diploma in Quantum Biofeedback

DIPLOMA CODE: BFB300

COURSE DESCRIPTION:

BFB100:

Module 101: Legalities, Ethics and Scope of Practice

The student will learn the language used by Biofeedback Practitioners in order to stay within recommended guidelines. By the end of this course, the student will submit a personally written informed consent form, write their personal code of ethics and define their scope of practice.

Module 102: The History and Guidelines of Biofeedback

This course describes the beginnings of Biofeedback as a medical model in 1960. It then covers the changes that have taken place and the guidelines in which to use Quantum Biofeedback.

Module 103: Foundations of Quantum Physics

This course will give the student the foundation and basic understanding of the principles of the Quantum Field, the principles upon which the LIFE System was designed. These principles will then be applied in relation to Quantum Biofeedback Technology.

Module 104: Biofeedback Device Instruction

This course consists of 24 hours of intensive online video instruction using the LIFE System as the equipment of choice. It is recommended that the student purchase this device prior to viewing this course however a 10 day demo can be provided for those who have not yet decided. Instruction will be built upon prior course content and will include the understanding of the system numbers and how to complete a successful session based on the guidance of the energy body of the person hooked up.

Module 105: BioEnergetic Coaching

This portion of the course follows Module 4 and will expose the students to the theories, techniques and legalities of coaching practices. You will learn skills, tips and exercises that can greatly increase the effectiveness of your interactions with clients. You will learn how to motivate your clients legally, morally and ethically with CIHS's BioEnergetic Coaching Course.

The Next 14 MONTHS consists of:

APP 102 CIHS Introduction to the Human Body

Students will learn the basic knowledge of all anatomical and muscular/skeletal parts required in body care. They will also gain an understanding of disease and disorder relationships such as Human cell structure, General anatomical features, Skeleton and Musculature, Digestive System, Respiratory System, Circulatory System, Blood, Lymphatic System, Nervous System, Sensory Organs, Urinary System, Genital Organs, Human Reproduction, Endocrine System and Immunological System.

BFB 201 Biofeedback Continuing Education Series The twenty-three 1 1/2 hour power point presentations take the student deeper into understanding the various panels and energetic components of the LIFE System. Students will grasp concepts of cause and effect, why and how to clear specific energy blocks effectively based on Good, Better and Best options. These presentations will also provide instruction on various Natural Health subjects in order to expand the therapist's effectiveness in the application of their specific Biofeedback System.

BFB 202 Required Reading Assignments

Students will be required to read, review and critique three personally selected texts from the required reading list (see list under books on next page). Satisfactory completion of the assignments accompanying those selections is required.

BFB 203 25 case studies plus

Case Study with Dissertation

The student will be required to complete 25 case studies in total. She/He will be required to submit a dissertation based upon case study #25 performed with a client while a CIHS student. The client must have had a minimum of three sessions with the CIHS student. The submitted paper must be a minimum of 2,500 typed, double spaced words. Guidelines will be given at the appropriate time.

MED 101 Medical Terminology

This is an optional course but is highly recommended

Quick Medical Terminology, is a self-paced learning approach designed to ease you into the language of medicine that separates the layperson from the professional. The programmed-learning format requires active participation through reading, writing, answering questions, labelling, repetition, and providing immediate feedback. This format will help you to correctly decipher new terms by identifying and then practicing different word parts.

Textbook: Quick Medical Terminology **\$26.95**
E Textbook: Quick Medical Terminology **\$25.95**

LIST OF REQUIRED TEXTBOOKS:

CIHS Custom Introduction to the Human Body \$69.95

STUDENTS WILL CHOOSE 3 FROM THE FOLLOWING:

The Divine Matrix
The Genie in your Genes
The Quantum Doctor
Quantum Healing
The Field
The 4 Week Detox Plan
Healing Injuries the Natural Way
The Brainwash
The Ultimate Ph Solution

DURATION:

BFB100 (101-105) 4 months 80 hours
BFB200 (BFB201-203 + APP102) 14 months 670 hours

PAYMENT OPTIONS (CAD\$):

BFB300 TUITION:

Pay in full at beginning of program: **\$1995.00**

Payment course by course

BFB 100 (5 modules) **\$ 595.00**
BFB 200 (4 modules—APP102,
BFB201,BFB202,BFB203) **\$1590.00**

MED 101 tuition (optional) **\$ 125.00**
Textbook: **\$ 26.95**

EVALUATION:

- Completion of required reading assignments, & tests
- Satisfactory completion of 1 case study for BFB100 and 25 case studies for BFB200
- Minimum grade of 70% on each module/course test
- Lifetime access to program materials provided courses are completed within allotted timeframe
- The student will require a LIFE System or a demo version of the LIFE System for BFB100 (BFB104 and case studies. Student will need a LIFE system to purchase and complete BFB200
- Biofeedback Ebook is included in tuition fees.
- Textbooks are NOT included in tuition fees.

DELIVERY OF PROGRAM:

- Courses, tests, exams are delivered online
- T-2202 Education Tax Certificate will be issued
